

By The Bumps On My Rump

Verse 1

C F G

By the bumps on my rump I will come up trumps

C Am F G

By the power in my snout I will sort things out

C F G

With a twist of my tail I'm flying without fail

C F G

I'm a pig that can think and fly

Verse 2

C Am F G

When I'm off the ground and I'm hovering around

C Am F G

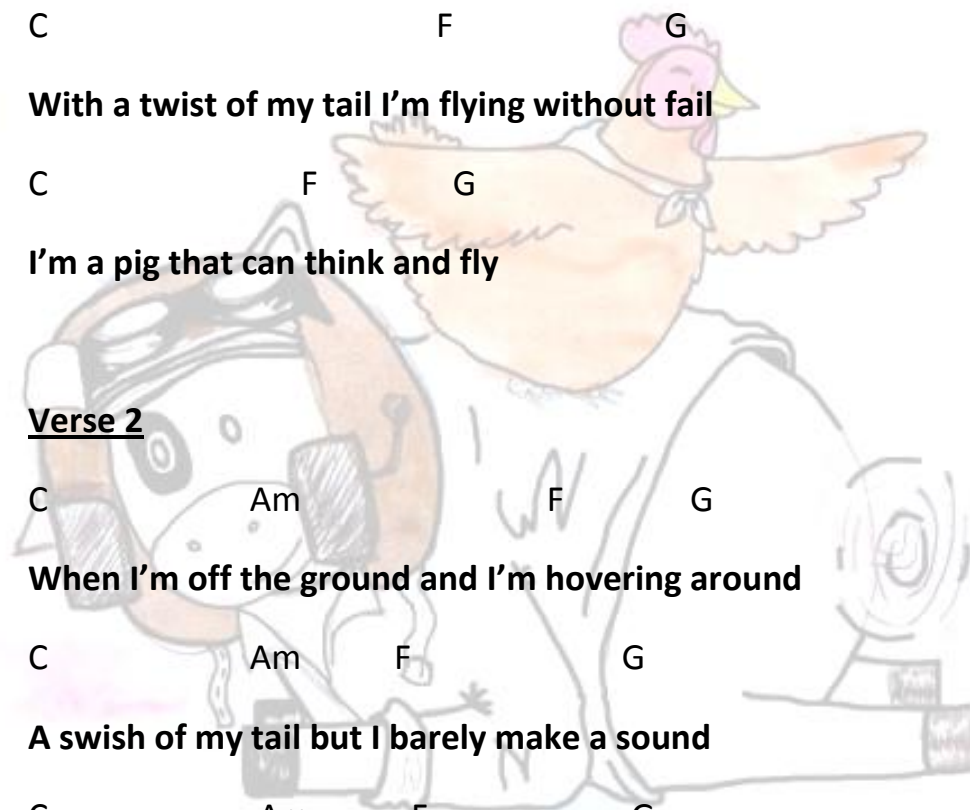

A swish of my tail but I barely make a sound

C Am F G

I'm looking to become a helpful passer-by

C F G C

Don't ask me why but this pig can think and fly

(Mid 8)

Am Em Am Em

When things are going badly, which happens to us all

Am Em Dm G

Instead of thinking madly there's a better call

Am Em Am Em

Tap on your snout, forget all your doubt

Am Em Dm7 G7 (Ral)

Stick to your plan and you will work it out

Verse 3 (chords as verse 1)

By the bumps on my rump I will come up trumps

By the power in my snout I will sort things out

With a twist of my tail I'm flying without fail

I'm the pig that can think and fly

C F G C

Don't ask me why but this pig can think and fly
