Friendship Farm, Friendship Farm
G D Em A7
None of us ever come to harm

Respect and charm at Friendship Farm
G D Em A7 D
It's friendship without endship at Friendship Farm

G D A D
Friendship, friendship, never let it endship
G D Em A7 D
Make another friendship at Friendship Farm

Whoever you are and whatever you do
Friendship Farm is the place for you
Together we can work, together we can play
And if we work together we will make some hay

G D A D
Friendship, friendship, never let it endship
G D Em A7 D
Make another friendship at Friendship Farm

The rain may fall and the sun may shine,
But on Friendship Farm we all feel fine
Together we work, together we play
But whatever happens as friends we'll stay

G D A D
Friendship, friendship, never let it endship
G D Em A7 D
Make another friendship at Friendship Farm

G D A D
Friendship, friendship, never let it endship
G D Em A7 D
Make another friendship at Friendship Farm
