

Mabel's Song (use Capo on third fret)

Verse 1

G C D
Hi there friends, my name is Mabel

G Em C D
I may be a chicken but I'm highly able

Em C D
I think, I write, do numbers and can sing

G C Am D
I Work out daily but there's just one thing

Chorus
G Em C D
I don't say it lightly, I cluck it with a sigh

Em C D G
Despite strong wings, I'm rubbish when I fly

Verse 2

Bend and grip, then push and lift
Raise the weights till my muscles all get stiff
Mark out the track – ready, steady run
After take-off the flying should be fun

Chorus
I don't say it lightly, I cluck it with a sigh
Despite strong wings, I'm rubbish when I fly

Verse 3

Up in the air, I get a quick look around
I flap, I glide but oh here comes the ground
It makes me crazy, yes, it makes me groan
But I'll keep on trying till I'm better on my own

Chorus
Bernard says keep trying and dream of flying high
With stronger wings, I'll get better when I fly

Bernard says keep trying and dream of flying high
With stronger wings, I'll get better when I fly

With stronger wings, I'll get better when I fly
With stronger wings, I'll get better when I fly
